Our weekend will provide families and students with a visual impairment the opportunity to enjoy water recreational activities, to hear more about how PE is structured for their children, and to learn other recreational and leisure skills. With these activities in mind, please bring swim wear for all family members attending, sunscreen, bug spray, and life jackets, if possible. Parents will be driving their own families to the lake which is about 10 miles from Aberdeen. In case of rain, indoor activities are planned.
